**NARRATIVE:**

Duran, is a documented gang member who has an adult criminal history that began at the age of 19 and includes convictions for attempted murder with the use of a firearm, rioting, multiple battery, grand theft from person, possession of controlled substance and violation of post release community supervision . Duran has served multiple state prison terms the longest an eight (8) year term for attempted murder with a firearm. Duran was released from state prison to the supervision of the Los Angeles County Probation Department on August 21, 2013. Under the Governor's Public Safety Realignment Act of 2011, better known as Assembly Bill 109 (AB 109) the responsibility of lower-level offenders was shifted from the State to Los Angeles County. He subsequently failed to report to his probation officer and an arrest warrant was issued in October 2013 after Duran absconded from post release community supervision (PRCS). Duran qualified to be released to the supervision of probation, under AB 109, because his current commitment offense for possession of controlled substance is defined as non-serious and non-violent under the California penal code. His prior criminal history, status as an active gang member, and current failure to comply with the terms of release make him a most wanted. If you know his whereabouts please contact...
